Mike and Mindy,

Thanks for letting me know where the [REDACTED] will be taken from.
I'd received the same SOW and IGCE from Ghulam Ali on Friday.
I'll move this [REDACTED] PR today.
Thanks, Mike

Hi Mindy,

I'm fine with this expense. We budgeted [REDACTED] for 401 and [REDACTED] for 404g. Mike L should take from Line 183, since 401 cert is probably the most active right now. Nevertheless, this is funding econ work for 401 cert, 404g and 404c, as I understand it, so there may be cost sharing or payback at some later time.

I'm cc'ing Mike L, Kathy, Dolores, Russ, Lauren and Mike T for their awareness.

Thanks,
Mike

Want to confirm this with you before Mike puts this in EAS. If okay, this will be coming from your branch budget.

Thanks

Hi Mindy, You will be seeing a new PR for [REDACTED] for ICF 401 Econ. Analysis tomorrow.

I am assuming you are ok with this action and where do you want in the IO should I take this money?

For ICF Contract No. 68HE0C18D0001, please prepare new PR for [REDACTED] or public comments and revision of the economic analysis about 401 certification proposal. I was told that old PR may not be amended. Please check with Nick Bisher phone, 513-487-2652, if more clarification is needed.
